COLLEGE NOTES.

(By O. C. W. Reporter.)

A mission study class of O. C. W. is
doing splendid work. The class is
taking up the study of Mexico and
finding out how badly our near neigh-
bors need our help as well as our
missionaries.

The last meeting of the Literary So-
cieties will be held Thursday of this
week. These organizations have been
the source of much pleasure and ben-
efit during the year.

The preliminaries for the tennis

tournament are being played off this
week. The final contest will be Fri-
day, May 12th, at which time rep-
resentatives from all departments of
the Preparatory School and Colleges
will compete for the cup which is given
annually.

The practical work of preparing and
serving luncheons by the third-year
Domestic Science class was supervised
this week by Miss Franke May Fren-
ley. For the rest of the term this
time will be given over to preparation
for the exhibit.

That O. C. W. appreciates the im-
portance of "play" is being demon-
strated most often by the Athletic
association under the efficient man-
agement of Miss Belfice Hawley as pres-
ident, and Miss Shaley as instructor.
Their annual spring picnic will be held
in the "far distant woods" Saturday,
when it will be quite proper to lay
aside all conventionalities, eat plenty
and laugh much.

Dr. Thrallkill lectured to the entire
student body during the past week
on the development of plant and ani-
mal life from the lowest to the high-
est forms.

Misses Mary de Graffenried of Mus-
kogee and Jessie Morton of Wagoner
visited at Nellie Sparks Hall during
the week end. At President Austin's
invitation each young lady played a
violin solo at Chapel Monday morning,
which was highly appreciated by all.

Three Y. W. C. A. girls will have
charge of chapel exercises Wednesday
morning, March 10. The girls are
leaving no stone unturned in their ef-
forts to raise money for the salary of
the student secretary for next year
and to arouse enthusiasm in their
work.

An operetta, in which several of the
college girls took part was given
Tuesday in the College auditorium
under the auspices of the McDowell
Music club.

A party of O. C. W. students with
our president, went to Amber Tues-
day evening to give a program. In
this way O. C. W. is making itself
known.

President Austin, Misses Carson and
Porter attended the meeting of the
Federated Clubs of the fifth district,
held at Duncan, Wednesday, May 3.
Mr. Austin delivered an address and
Miss Porter sang. The student body
was represented at this meeting by
Misses Voorhees and Willie Fowler.

The college grounds are being beau-
tified this week by a large assortment
of flowers, also vines have been
planted. We hope next fall to have a
beautiful campus.

The teachers and students are be-
ginning to close their work after a
most successful year in the Oklahoma
College for Women. There are al-
ready one hundred and eighteen res-
ervations made for rooms during the
next year in Nellie Sparks Hall.

There will be eight new teachers ad-
ded to the faculty for next year.

Remember This.

To remove rings from the fingers
swollen by their tightness, dip the fin-
ger in ice cold soapsuds.

Good Habit.

You will get accustomed to liv-
ing your life right through with a wa-
in it. We all have to do that. Y
will get accustomed to wanting, a
this habit will come to be a part
your life. You will be all the bet-
for it.—H. S. Merriman.

Why pay Tire Bills for Others— —i. e., for RECKLESS Drivers

AMERICANS who want their money's worth,—who
dislike to pay for the Reckless-driving extra-
vagance of Others,—in the price of their own
Tires, should sit up and take notice of following FACTS:—
The current Goodrich "Fair-List" price on Tires, is
based upon what it costs the largest, and best equipped,
Rubber Factory in America to produce them.

No "Insurance" Premium added to the NORMAL
retail price of Goodrich Tires, in order to protect the
Reckless Driver at the expense of the Careful Driver,
through a fancy List Price which is high enough to absorb
that Premium.

The excess Mileage each Goodrich Tire is reasonably
certain to deliver, when given reasonable care in driving,
thus becomes clear "Velvet" to the Owner of GOODRICH
Tires.

Money can't make, and can't buy, better Tires of
Fabric construction, than Goodrich Safety-Tread Tires, as
Test will prove.

And, money can't buy the B. F. Goodrich Co. to
produce Tires which would discredit the 269 other lines of
Rubber Goods made by the B. F. Goodrich Co., for which
its name stands Sponsor.

COMPARE prices on Goodrich "Fair-List" Tires
with present prices on any other responsible
Tires in the field, bearing in mind that NO
"LARGER-SIZED" Tires (type for type and size for size)
than Goodrich Black-Treads, are made in America.

Then, Test out at least ONE pair of Goodrich black-
tread Tires, on their per-DELIVERED-Mile cost to you,
against any other Tires in the field, at any price, and—
abide by the Result.

Why (if YOU are not a Reckless Driver) should YOU
pay MORE than the "BUSINESS" price of the Goodrich
Tire, for ANY Fabric Tire in the field?

Get a sliver of the new Goodrich "Barefoot" Rubber
from your nearest Goodrich Dealer or Branch.

Akron, Ohio.

NOTICE.

"No Concern in America made, or sold, during
its latest fiscal year, nearly as many Motor-Car
Tires as did The B. F. Goodrich Co."

proves this.
